

## FRAMINIA HEALTH & SAFETY LTD - Cookie Policy

Cookies are code portions installed in your browser to assist the Proprietor in issuing the Service on the basis of the stated objectives. Some of the Cookies installation purposes could also need the User's consensus.

Whenever the installation of Cookies is based upon consensus, such consensus may be freely revoked at any time by following the instructions included in this document

### Technical and aggregate statistics Cookies

- **Activities strictly required to operate**

---

This Website uses Cookies to save the User's session and to perform additional activities which are strictly required to operate this Website, such as those related to the distribution of traffic.

- **Preference saving, optimizing and statistics activities**

---

This Website uses Cookies to save browsing preferences and to optimize the User's browsing experience. Among these Cookies are those, for instance, to set the language and currency or to allow the site Proprietor to manage statistics.

### Other types of Cookies or third party tools which could install them

Some of the services listed below collect statistics in an aggregate and anonymous mode and might not require the Users' consensus or be directly managed by the Proprietor – depending on what has been described – without the aid of third parties.

Should services managed by third parties be present among the tools listed below, these could – in addition to what has been specified and without the Proprietor's knowledge – perform tracing activities of the User. For detailed information about this matter, it is advised to refer to the privacy policy of the listed services.

- **Interaction with social networks and external platforms**

---

This type of service allows to interact with social networks or other external platforms, directly from the pages of this Website.

The interactions and information obtained on this Website are anyhow subject to the privacy settings which the User applies to each social network.

Should an interaction service with social networks be installed, it is possible that, even if Users do not make use of the service, it collects traffic data related to the pages where it is installed.

#### **Facebook (Facebook, Inc.) key "I Like It" and social widgets**

The key "I Like It" and the social widgets by Facebook are interaction services with Facebook social network, supplied by Facebook Inc.

Collected personal data: Cookies and User information. Processing location: USA – [Privacy Policy](#).

- **Statistics**

### How can I express my agreement to the placement of Cookies?

In addition to the above, Users may manage their favorite Cookies directly from within their browser and prevent – for instance – third parties from installing them. It is furthermore possible to cancel Cookies placed in the past by the browser's preferences, including the Cookie containing the consensus for this site to install Cookies. Users may find information on the management of Cookies at some of the most popular browsers, for instance at the following addresses: [Google Chrome](#), [MozillaFirefox](#), [Apple Safari](#) e [Microsoft Internet Explorer](#).

With reference to Cookies installed by third parties, Users may also manage their settings and withdraw their consensus by visiting the opt out link (if available), by using the tools described in the Privacy Policy of the third party or by contacting it directly.

Without prejudice to the aforementioned, Users may make use of information supplied by [EDAA](#) (EU), [Network Advertising Initiative](#) (USA) e [Digital Advertising Alliance](#) (USA), [DAAC](#)(Canada), [DDAI](#) (Japan) or other similar services. It is possible, through these services, to manage the tracing preferences of most advertising tools. The Proprietor advises therefore Users to make use of these resources in addition to the information found in this document.
